LETTER OF REFERENCE

CO Designs has been a preferred supplier of furniture to Anglo American for approximately 6 years.

During this period, we have established an excellent business partnership. Since dealing with the staff at CO Designs, I have found the service and product supplied to be of high quality with good after sale service provided by the team.

The current value of contracted work provided by CO Designs from 2014 to date is R40 Million Rands.

I take pleasure in recommending CO Designs as a preferred supplier of furniture.

Yours sincerely

Regards
