LETTER OF REFERENCE:

CO Designs has been a preferred supplier of furniture to Bowman Gilfillan since August 2013. During this period they have supplied close to 200 workstations and we have found their furniture to be good value for money. We have established an excellent business partnership. Their contract has been renewed more than once and is in place till 2016. Since dealing with the staff at CO Designs, I have found the service to be of high quality.

I take pleasure in recommending CO Designs as a preferred supplier of furniture to your organization.

Sincerely,

Tagseen Samsodien
