To whom it may concern

LETTER OF REFERENCE:

CO Designs has been a preferred supplier of furniture to Vodacom (Pty) Ltd for approximately 15 to 20 years. During this period they have supplied the group with a substantial number of workstations. We have found their furniture to be good value for money. We have established an excellent business partnership.

Their contract has been reviewed more than once.

Since dealing with the staff at CO Designs, I have found the service to be of high quality.

I take pleasure in recommending CO Designs as a preferred supplier of furniture.

Sincerely

Sheelagh Gentleman
