Re: CO Designs Letter of Reference

To whom it may concern

This serves to confirm that CO Designs has been a supplier to Vodacom since 2009, and was awarded the National Contract for Office Furniture during November 2013. During this time CO Designs has installed in excess of 2000 workstations in Vodacom Corporate Offices nationwide. To date the Vodacom team has enjoyed a highly professional level of service and commitment from CO Designs, and has every confidence in CO Designs' ability to continue to deliver to our extremely high standards.

Yours sincerely,
